

Applications

- In-ground pools

Features - Hayward Skimmer Vac Plate

- Automatically alternates between vacuuming the pool and skimming the pool's surface
- Finger-tip dial control for superior skimming action and proper vacuum settings
- Back-mounted vacuum gauge conveniently located for simple and accurate vacuum measurements
- Adjustable standpipe for various skimmer depths
- Factory-set pressure relief valve for added safety
- **Features - Hayward Leaf/Debris Canisters**
- Extra-large basket or bag traps leaves and debris before they reach the filter system
- Superior design ensures that water will always bypass debris and maintain proper water flow to pump
- Easy-open lid provides quick access to basket
- Lexan® see-through construction lets you see when basket needs cleaning

Tech Specs

Debris/Leaf Canister Buying Guide

Model Number	Description	Ctn. Qty.	Ctn. Weight
