The **ROGUE™ FUNSLIDE™** at 8-feet is one of our tallest FunSlides™. It is a recreational poolslide intended for moderate use on residential pools. This unit can be either surface-mounted for moderate residential use or in-deck mounted for heavy residential use. Our 8-foot FunSlides™ are the world's most popular pool slides. The **ROGUE™** features four straight legs and a High Volume water delivery system. Rogue™ FunSlides™ are available in all Standard and **DESIGNER SERIES™** colors. S.R.SMITH FunSlides™ have been tested by outside independent agencies and have been found to conform to the standards of the U.S. Consumer Product Safety Commission (CPSC).
